

# SENSIS*Strip* LFD Allergen Kits (Lateral Flow Device)

**Save Time,  
Without Compromise**

**Only \$125**

Usually \$144  
5 Pack

The SENSIS*Strip* Lateral Flow Device (LFD) Allergen kits are the perfect tool to control any potential cross- contamination with food allergens, avoiding external analyses and thus considerably reducing the time needed to release a food product batch to the market.

- Quick & Easy to use
- Highly-specific immunoassay-based kits
- Sensitive, with low levels of detection
- Validated for food matrices, rinse water and equipment

These rapid tests, with high sensitivity and specificity, include all the necessary material to perform 5 individual analyses per kit, and are validated on food matrices, swabbing and rinse water.

Also available in a 20-strip pack size.

## SENSIS*Strip* LDF Kits 5 Pack

Code	Description	Code	Description
