

SlideMate™ Pro Dual-Hopper Slide Printer

Only \$27,500 Usually \$42,645

Code: EPRNA83900015

POWERED BY SHANDON MICROM MENZEL-GLÄSER Richard-Allan Scientific

Dynamic Duo

Dual hoppers. Singular solution.

With flexible configuration options to match your laboratory's needs the SlideMate Pro printer features a dual-hopper loading system with intelligent slide selection.

The printer can be programmed to automatically read the requested slide type from the incoming print image and pull from the appropriate hopper.

Also available is a additional manual load option for a 3rd slide type. Simply load them through the manual feed as required – no need to remove the hoppers.

Pair with EpreDia
Superfrost Slides
